I give permission for my child to be photographed and/or videoed during class and other school related activities. These photographs and/or videos may be used for one or more of the following:

- To create displays which are placed in the school hallways for parents to view
- To create projects which will ultimately be sent home with your child
- To provide a visual aide for staff and teachers to use in developmental evaluations
- To share and update families on activities and learning taking place in the classroom via Brightwheel or another form of online album (ie Google Photos, Snapfish, etc.)
- To publish promotional materials on the NMP website and social media

I understand that Newark Methodist Preschool respects our right of confidentiality and will never use the full name of my child in any manner.
